Develop an academic plan that connects with careers that excite you.

Graduate with a solid plan for furthering your professional

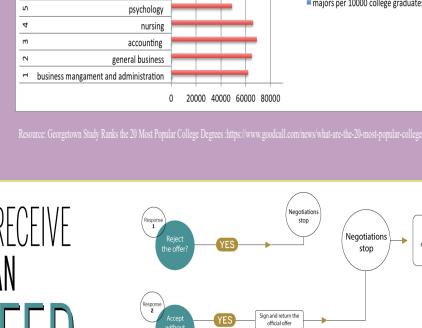

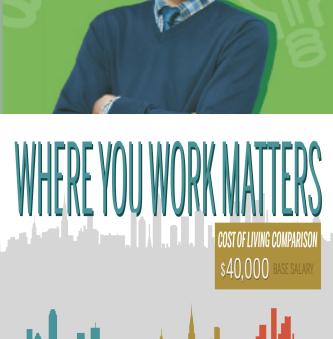

Graduate with a solid plan for furthering your professional goals, and be Employed in a career that you are passionate about!

Employ our services to get the training you need to pass certification exams.

You

decisions about your future, and prepare for the next step in your education and career planning journey.

```

graph LR
    A[Response 3] --> B{Counter the offer?}
    B -- No --> C[Accept and sign offer]
    B -- Yes --> D[If yes, counteroffer will now receive an updated offer (higher bid price). M]
    D --> E[Accept and sign offer]

```

The flowchart illustrates the decision-making process for responding to a counteroffer. It starts with 'Response 3', leading to a decision point 'Counter the offer?'. If the answer is 'No', the process moves directly to 'Accept and sign offer'. If the answer is 'Yes', it leads to a note: 'If yes, counteroffer will now receive an updated offer (higher bid price). M', followed by another 'Accept and sign offer' step.

A horizontal bar chart comparing annual wages and the number of majors per 10,000 college graduates across different fields. The y-axis lists fields from highest to lowest annual wage: general education, marketing and research, communications and mass media, and psychology.

Field	Annual Wages (\$)	Majors per 10,000 College Graduates
general education	\$45,000	~15
marketing and research	\$44,000	~15
communications and mass media	\$43,000	~15
psychology	\$42,000	~15

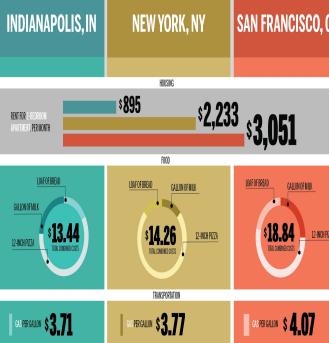

```

graph LR
    A([Response 3]) --> B([Counter the offer])
    B --> C([Accept and sign off])

```

The diagram illustrates a sequential process: 'Response 3' leads to 'Counter the offer', which then leads to 'Accept and sign off'.
